MERRY CHRISTMAS

Today we celebrate the birth of Jesus. Christmas reminds us of times past but also the future when we look into the eyes of children and the wonder that this time of year brings for them. The Advent season has helped us to find the "spirit of the season" which is the hope and love that the Christ Child brings! So put a candle on the cake and sing Happy Birthday to Baby Jesus on Christmas day! Enjoy the holidays! A Blessed Christmas to All!

From the Parish Pastoral Council

Hoy celebramos el nacimiento de Jesús. La Navidad nos recuerda de tiempos pasados pero también del futuro cuando miramos a los ojos a los niños y la maravilla que les trae este tiempo del año. ¡La temporada de Adviento nos ha ayudado a encontrar el "espíritu de la temporada" que es la esperanza y el amor que trae el Niño Jesús! ¡Así que ponga una vela en el pastel y cante Feliz cumpleaños al Niño Jesús en Navidad y disfrute de las fiestas! ¡Una Bendita Navidad para todos!

Del Consejo Pastoral Parroquia

Feliz Navidad

"On this day of joy, we are all called to contemplate the Child Jesus, who gives hope once again to every person on the face of the earth. By his grace, let us with our voices and our actions give witness to solidarity and peace. Merry Christmas to all!" - Pope Francis

What's Old is New Again

On an Easter Sunday in 1953, ground was broken behind SS Peter & Paul Church for a new convent. Previously a house at 3726 S. Paulina was used as a convent for the Felician Sisters that taught at the school. In May of 1954, Cardinal Stritch dedicated the new convent.

The city, neighborhood, and church has seen many changes in 68 years since that dedication. The convent has been going through repairs and renovations, a rebirth so to speak, and will be our Blessed Sacrament Pastoral Center. It will be used for our Religious Education classes and committee meetings.

Please join us for our Open House of the Blessed Sacrament Pastoral Center on Jan. 8, 2023 after each of the Sunday Masses.

Lo viejo es nuevo otra vez

En un domingo de Pascua de 1953, se abrió el terreno detrás de la iglesia SS Peter & Paul para un nuevo convento. Anteriormente, una casa en 3726 S. Paulina se utilizó como convento para las Hermanas Felicianas que enseñaban en la escuela. En mayo de 1954, el cardenal Stritch inauguró el nuevo convento.

La ciudad, el vecindario y la iglesia han visto muchos cambios en 68 años desde esa dedicación. El convento ha estado pasando por reparaciones y renovaciones, un renacimiento por así decirlo, y será nuestro Centro Pastoral Santísimo Sacramento. Se utilizará para nuestras clases de Educación Religiosa y reuniones de comités.

Únase a nosotros para nuestra Casa Abierta del el Centro Pastoral Santísimo Sacramento 8 de enero de 2023 después de cada una de las Misas dominicales.

PRO-LIFE UPDATE, Christmas 2022

The year 2022 has been the most important year for the pro-life cause since 1973 when the United States Supreme Court erroneously declared the existence of a constitutional right to abortion in its decision in the case of Roe v. Wade which made it impossible to pass laws prohibiting abortion. This year the Court reversed that ruling in the case of Dobbs v. Jackson Women's Health Organization which effectively returned the legality of abortion to the political process in each of the fifty states. It took almost one-half century to correct the error of Rowe and allow the people of each state to decide whether and to what extent abortion would be permitted. It is especially fitting that we contemplate these developments at this time when we joyfully commemorate the birth of Jesus who chose to become one of us, born of a human mother – just like us. Pope St. John Paul II wrote, in his encyclical *Evangelium Vitae*:

At the dawn of salvation, it is the Birth of a Child which is proclaimed as joyful news: I bring you good news of a great joy which will come to all the people; for to you is born this day in the city of David a Savior, who is Christ the Lord (Lk 2:10-11). The source of this great joy is the Birth of the Savior; but Christmas also reveals the full meaning of every human birth, and the joy which accompanies the Birth of the Messiah is thus seen to be the foundation and fulfilment of joy at every child born into the world. (cf. Jn 16:21).

The results of the November 8, 2022 mid-term elections provided mostly bad news for the pro-life movement. In Kentucky a proposed pro-life amendment to the state constitution failed. In California and Michigan pro-abortion amendments passed. However, there were a few bright spots in other states such as Florida, Georgia, Texas, Ohio, and Oklahoma. Those states had previously enacted laws restricting abortion. Florida prohibits most abortions after 15 weeks into the pregnancy. Georgia and Texas have "heartbeat" laws banning most abortions after 6 weeks. Ohio outlaws most abortions after a fetal heartbeat is detected – also at about 6 weeks gestation. Oklahoma law completely bans abortions with very limited exceptions. The incumbent state governors who signed those bills were re-elected by large margins. As a result the lives of many unborn children will be saved. On the other hand, in Illinois, the 2019 "Reproductive Health Act" which prohibits any restrictions on abortion (see the Pro-Life Update published in our March, 2022 Bulletin) remains in effect. Indeed, with the reversal of Roe the question of legal protection for unborn children now depends upon the politics of the state enacting the laws. However, the protection of life depends on much more than the law. It depends upon development of a culture in which human life is given respect because it is sacred, created by God, regardless of what the local laws require or permit.

Shortly before the midterm elections, on October 26, 2022, Archbishop William F. Lori, Chairman of the United States Conference of Catholic Bishops Committee issued a statement entitled "Building a Culture of Life in a Post-Roe World." He acknowledged that the reversal of Roe has given us an opportunity to "govern ourselves on the matter of abortion" but he went on to suggest that we now must do "whatever we can through law, policy, politics, and culture" to provide mothers, children and families "with the care and support necessary for their flourishing throughout the entire arc of life's journey. Through our collective and individual actions, we can build a culture of life and civilization of love in America. Let us begin."

Of course, we must continue to petition our lawmakers to impose significant legal restrictions and if possible prohibition on abortion. But it is evident that this is a very tall order in a state like Illinois in which the political process has resulted in the most permissive abortion laws imaginable. We also must strive, especially in states like Illinois, to foster a "culture of life" as Archbishop Lori has pleaded. We can promote such a culture through public education, persuasion, teaching and the power of prayer. Please join us for the next monthly pro-life Mass and rosary at 8 am on Saturday, January 7, 2023.
